Who's Coming, Going, and Moving Up

March 10, 2009

Group Goetz Architects is pleased to announce that on March 2, 2009, Robert Sly rejoined its team as associate principal and studio director of GGA's Commercial design practice.

Dome Construction Corporation of San Francisco, a leader in biotech, healthcare, biofuels and tenant improvement construction services, named Robert Lynch as vice president and COO. The \$164 million firm also promoted David Kolonay to director of preconstruction services.

Corgan Associates has named Jeff Mangels as principal. Mangels' primary responsibility as principal will continue to focus on the development and management of Corgan's Phoenix office.

Mancini-Duffy is pleased to announce that Joseph Montalbano, AIA, LEED AP, has joined the firm as a senior associate. Confirming their commitment to research as a critical component of their practice, WHR Architects announced that Laurie Waggener, RRT, IIDA, AAHID has joined the firm as part of their Knowledge Resource Studio. Waggener's role is a new position in the firm.

GreenWorks Studio, a partner company of Harley Ellis Devereaux, is establishing a presence in San Francisco and has hired researcher, educator, author and practitioner Edward Dean, AIA, LEED-AP who brings 25 years of architectural design experience plus 10 years of academic teaching experience to the firm.
